MnTC Goals: None

A practicum whereby students learn to produce television news packages. Reporters learn to report on stories as assigned and work along with photographers and video editors to construct weekly news packages. Reporters may also be assigned to write readers and/or voice-overs. They narrate their own reports. Sometimes they will be asked to submit interviews for a report developed by another reporter. Reporters transcribe each of their reports for on-line publication. May be repeated for credit.
