Students will be assigned an executive mentor based on their completion of a personal profile. Students will meet with their mentor for 2-4 hours per month to explore their own career choices in light of the mentor's experiences and insights. Students are responsible for contacting their mentor. Students are expected to attend and contribute to brown bag lunches and social gatherings where both mentors and students are present. Students will have the opportunity and responsibility to represent themselves and MSUM professionally and courteously. Students will attend scheduled class sessions, participating actively in conversation, completing homework, and sharing insight and feedback from their interactions with their mentors. Students will prepare a minimum of three 10-point reflection papers and a final 30-point summary paper based on their course/mentorship experiences. This class may be taken twice for credit.
