

Minnesota State University Moorhead

AMCS 207: Ojibwe Language I

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 3

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

This elementary course is designed to give students the necessary speaking and grammar skills to begin reading, writing, and conversing in the Ojibwe language. Ojibwe is the language of the Anisshinaabe people, one of the American Indian tribes with contemporary communities in several states and provinces, including Minnesota, North Dakota, Michigan, Wisconsin, Montana, Ontario, and Manitoba.

B. COURSE EFFECTIVE DATES: 01/09/2008 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

D. LEARNING OUTCOMES (General)

1. Students will be able to appreciate diverse perspectives and alternative approaches to interaction and problem solving and evaluate multiple perspectives and their underlying assumptions.
2. Students will be able to cultivate attributes such as flexibility, respect, and self-reflection necessary for adapting to changing and diverse communities and for building authentic relationships with diverse peoples.
3. Students will be able to demonstrate intercultural communication skills (verbal and nonverbal) for interacting with those culturally different from one's self.
4. Students will be able to employ skills necessary for working collaboratively in a diverse group toward a common goal.
5. Students will be able to recognize stereotypes and critically assess cultural images.
6. Students will become familiar with and understand knowledge about the status, concerns, achievements, representations, and experiences of Native American Indians.
