

Minnesota State University Moorhead

EECE 469: Early Childhood Internship

A. COURSE DESCRIPTION

Credits: 1,10,11,12,2,3,4,5,6,7,8,9

Lecture Hours/Week: *.*

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

This internship will provide students with the opportunity to apply and demonstrate the knowledge, skills, and dispositions required in the field of early childhood education. Students will work with groups of children in an early childhood setting for up to 12 weeks. Students will complete experiences typical in an early childhood setting, overseen by a faculty supervisor and a site-based early childhood professional.

B. COURSE EFFECTIVE DATES: 02/02/2016 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

D. LEARNING OUTCOMES (General)

1. Demonstrate application of developmentally appropriate practices with groups of children in an early childhood setting.
2. Demonstrate competency in tasks typical in early childhood settings such as addressing daily needs of young children, developing appropriate learning centers and lessons, facilitating small and large group learning sessions, using assessment tools to inform planning, using positive guidance strategies, and collaborating with families and other professionals.
3. Demonstrate dispositions and skills necessary for building positive relationships with young children and their families, colleagues and other community members.
4. Demonstrate knowledge of child development and learning and how to apply this knowledge to support young children.
