

Dakota County Technical College

HEAL 1800: First Aid / CPR for the Allied Health Care Provider

A. COURSE DESCRIPTION

Credits: 1

Lecture Hours/Week: 1

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

This course covers the knowledge and skills that are needed for emergency care of the injured or ill until medical care can be obtained. It should also serve to create an active interest in the prevention of accidents and illnesses. This course is designed for those needing more advanced knowledge and skills than the layperson; medical assistants, personal trainers, lifeguards, police officers, and patient care technicians. Basic skills performed in the management of basic life support are in accordance with standards set by the American Heart Association.

B. COURSE EFFECTIVE DATES: 08/22/2005 - Present
