

Dakota County Technical College

SMGT 1173: Life Celebrations

A. COURSE DESCRIPTION

Credits: 3

Lecture Hours/Week: 3

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

Life celebrations take many forms and embrace all cultures; marking birth, coming of age, marriage, death and everything in between. Traditions borne in our native cultures form the fabric that makes us unique and weaves a special mark in our celebrations. Meeting and event planners who specialize in life celebrations such as weddings, bat/bar mitzvahs, naming ceremonies, and other multi-cultural events, as well as managers of cultural fairs, festivals, and parades will benefit from this course. Increase your skill set of cultural norms and traditions and gain insight into resources that will help you research details unique to the host's sect, geographic area, and more.

B. COURSE EFFECTIVE DATES: 09/29/2010 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

D. LEARNING OUTCOMES (General)

1. apply research tools and concepts to investigate culturism traditions, and mores of future event projects
2. distinguish different cultures, traditions, and mores and their impact at an event
3. explore methods to respectfully intersect different cultures, traditions, and mores at the same event
4. recognize and reflect on the diversity of cultures, traditions, and mores in life celebration event planning and management

E. Minnesota Transfer Curriculum Goal Area(s) and Competencies

None

F. LEARNER OUTCOMES ASSESSMENT
