

Bemidji State University

ED 3410: Middle School Science Methods

A. COURSE DESCRIPTION

Credits: 2

Lecture Hours/Week: *.*

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

Introduces methods and materials for teaching science for grades 5-9. Discusses the teaching of science through a hands-on process methodology. These methods are practiced through a required practicum with public school students. Various process oriented science curriculum materials are used during class.

Prerequisite: ED 3110.

B. COURSE EFFECTIVE DATES: 10/14/1997 - 01/12/2014

C. OUTLINE OF MAJOR CONTENT AREAS

None

D. LEARNING OUTCOMES (General)

None

E. Minnesota Transfer Curriculum Goal Area(s) and Competencies

None

F. LEARNER OUTCOMES ASSESSMENT

As noted on course syllabus

G. SPECIAL INFORMATION

None noted
