NRSG 3457: Sexual Abuse

A. COURSE DESCRIPTION

Credits: 2

Lecture Hours/Week: *.*

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites: None

Corequisites: None

MnTC Goals: None

A basic introduction and overview of child sexual abuse, sexual harassment, and sexual assault. Examines a wide range of sexual abuse issues such as history, definitions, theory, incidence/prevalence, etiology, consequences and effects, perspectives of the victim/offender/family/society, treatment, prevention, cultural aspects, research, legal issues, and resources. Guest speakers will provide a glimpse of the real world of sexual abuse and what is being done about it. Learners will explore their own thoughts, feelings, and behaviors regarding sexual abuse. Liberal Education Category 9.

B. COURSE EFFECTIVE DATES: 10/20/1997 - 07/30/2012
