Version 3.1.4 Page 1 of 2 10/18/2017 06:20 AM

D. LEARNING OUTCOMES (General)

- 1. Understand diversity abroad in terms of the reality of international migration.
- 2. Understand migrants are not just engaged in menial activities and highly skilled persons constitute over half the increase in number of international migrants age 25 or over.
- 3. Recognize importance of the various factors that influence international migration.
- 4. Develop a good knowledge of the law and international institutions relating to the international movement of people.
- 5. Understand that countries that are very different in other respects now face surprisingly similar migration challenges, which no longer need to divide them into adversarial camps.
- 6. Understand the experience of migration has evolved in some less positive ways.
- 7. Understand today's international migrants are, more than ever before, a dynamic human link between cultures, economies, and societies.
- 8. Understand the skills and knowledge migrants accumulate are instrumental in transferring technology and institutional knowledge.
- 9. Develop knowledge and critical thinking and writing skills necessary for effective participation in the global community.
- 10. Understand the mass movement of people from the industrialized and developing countries, as well as the "South-to-South" movement.

E. Minnesota Transfer Curriculum Goal Area(s) and Competencies

Goal 08 - Global Perspective

- 1. Describe and analyze political, economic, and cultural elements which influence relations of states and societies in their historical and contemporary dimensions.
- 2. Demonstrate knowledge of cultural, social, religious and linguistic differences.
- 3. Analyze specific international problems, illustrating the cultural, economic, and political differences that affect their solution.
- 4. Understand the role of a world citizen and the responsibility world citizens share for their common global future.

F. LEARNER OUTCOMES ASSESSMENT

As noted on course syllabus
