

North Hennepin Community College

HTN 1002: Histotechniques II

A. COURSE DESCRIPTION

Credits: 2

Lecture Hours/Week: *.*

Lab Hours/Week: *.*

OJT Hours/Week: *.*

Prerequisites:

HTN 1001 - Histotechniques I

Corequisites: None

MnTC Goals: None

This course is a continuation of Histotechnique I with emphasis on reinforcement of fundamental principles of histology. Procedures and maintenance of basic histology instruments will be introduced. Students will be expected to achieve entry-level competencies in basic lab techniques and additional techniques will be practiced.

Prerequisites: HTN 1001

B. COURSE EFFECTIVE DATES: 08/21/2006 - Present

C. OUTLINE OF MAJOR CONTENT AREAS

1. Fundamental principles of histology; instrument theory, procedures, and maintenance; techniques on grossing and orientation of tissue specimens for embedding.

D. LEARNING OUTCOMES (General)

1. The student should be able to demonstrate knowledge and application of histological techniques in the areas of:
 - Instrumentation
 - Grossing and orientation of tissues for embedding
 - Achieve entry-level competency in basic techniques

E. Minnesota Transfer Curriculum Goal Area(s) and Competencies

None

F. LEARNER OUTCOMES ASSESSMENT

As noted on course syllabus

G. SPECIAL INFORMATION

None noted
